Principal's Message

I hope you and your families are safe and well

I was joined in assemblies last week by our House Captains, who did an excellent job in explaining the importance of Stephen Lawrence Day. I explained to your children the importance of our continued work on the 9 Protected Characteristics (Equalities Act 2010) and how no one should ever be discriminated against because of one of these characteristics. I also celebrated what a great place CHS is to go to school as we are so diverse.

We have an excellent new display up in our main hall in Warwick, of our Monarch, our Prime Minister and our local MP. This celebrates our commitment to the fundamental British Values as determined by the government.

Your feedback is always vital in supporting your child through their education, and ensuring we provide the highest quality of education. Please follow the link to complete the short survey:

The deadline is Friday 26th April. Thanks to the many parents and carers who have already completed it.

I wish you all a safe and peaceful week

Kind regards

Jason Bridges

UNICEF: Article of the Month

We are a Gold Rights Respecting School and our learners are central to all we do.

Article 29 (goals of education)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures and the environment.

We have chosen this article as it supports the school motto of Nothing But the Best as everyone at CHS believes they can aspire to anything they wish to be and the staff will work to deliver a curriculum that supports aspirations.

LITERACY TIP

Here is a tip on writing argumentative essays: After you have made your points and backed them up with evidence, dedicate at least one section to some counterarguments, followed by your rebuttal. Doing this demonstrates your ability to consider a wide range of viewpoints and makes your essay more convincing.

DIGITAL BOOK OF THE WEEK

The Ministry of Unladylike
Activity by Robin Stevens

Britain is at war, and a secret arm of the British government called the Ministry of Unladylike Activity is training up spies. When May and her friend Eric are turned away by the Ministry, they take matters into their own hands. Masquerading as evacuees, May and Eric arrive at Elysium Hall, home to the wealthy Verey family. It soon becomes clear that one of the family is passing information to Germany. May and Eric know if they can gather enough evidence on their suspect, the Ministry will have to take them on.
